1. PRINCIPAL'S ANNUAL OVERVIEW

Dhanalakshmi Srinivasan Dental College, Siruvachur, Perambalur, continued its commitment to academic excellence and institutional development during the academic year 2025–2026. The institution focused on quality dental education, patient-centred clinical training, research promotion, faculty development and community-oriented oral healthcare. Through structured academic programmes, clinical training, student assessment, outreach initiatives and quality assurance measures, the college strove to enhance students' knowledge, clinical competence and professional ethics. The institution also emphasised student welfare, mental health, research engagement and regulatory compliance, with the continued support and cooperation of the management, faculty, staff and students. These collective efforts reflect the college's commitment to producing competent dental professionals and delivering accessible, evidence-based oral healthcare to the community.

This report presents the activities of the institution for the period March 2026 to August 2026.
